

MIDDLE AND UPPER SCHOOL FAMILIES ORDER TEXTBOOKS ONLINE

February 2017

Dear Middle and Upper School Families,

MBS Direct, one of the largest mail order textbook suppliers in the country, will once again handle the fulfillment of our Upper and Middle School textbook orders. With over 7 million books in their Columbia, Missouri facility, MBS has created a program to help us provide our families access to new, used and rental textbooks. This means that you will have more control over your textbook order and more options on the delivery of your books and course materials. Here's how the program works:

- MBS Direct will maintain a current list of ESD courses and the books and materials that accompany those courses.
- You can access the MBS Virtual Bookstore on-line at <http://bookstore.mbsdirect.net/esdallas.htm> or call MBS Direct at 800-325-3252 when the store opens in July.
- You may pay by Visa, MasterCard, Discover, American Express, or Paypal.
- Orders are shipped within 24 hours of purchase.

We recommend that you order via the Virtual Bookstore due to its convenience, cost savings and accuracy of course materials. Once opened, the Virtual Bookstore can be accessed 24 hours a day and customer service is available 24/7 if you need assistance of any kind. You will be informed of the availability of new, used and rental textbooks and optional materials. In addition to convenience, here are other benefits MBS Direct provides:

Used and Rental Books: Used books are available at a 25% discount off the standard new book cost. MBS also offers a rental textbook program. A student will order a book through their online bookstore. The rental term begins once the book is delivered. At the end of the term the student will send the book back with a pre-paid postage label.

Delivery: Textbooks are delivered via UPS by one of three methods: Ground, 2nd Day Air, or Next Day Air. You pay the current UPS rate based on the weight of the package and where the package is being shipped. Priority Mail service is also available.

Textbook Buyback: At the end of the school year, MBS Direct will repurchase textbooks, lowering the overall cost of your textbook purchase. Repurchase is dependent upon the condition and demand for the textbooks; however, MBS buyback policy is one of the most generous in the industry.

We will let you know when the Virtual Bookstore is open and ready to receive your textbook order.
