# **FOOD DRIVE**

### **Benefiting St. Philip's Community Center**

**Sponsored by our 6th graders, each advisory group will fill 2 Christmas dinner boxes for clients of the St. Philip's Community Center. Our 6th grade team will hand deliver them to those families in need on their service day. Please speak with your advisor about what to bring. Thank you for sharing your blessings with the St. Philip's Community Center and supporting this long-standing tradition.**
